

Direct Payment (Application)

Suburban Water Systems is delighted to have you as a customer and is pleased to provide you with clean and reliable water service. When paying your water bill, take advantage of **Direct Payment** - a *FREE* service that automatically pays your bill directly out of your checking account.

- It saves time and money (no more writing checks and buying stamps).
- Your water bill will always be paid on time (no worries about late payments).
- It improves credit (no late payments and you'll build an on-time payment history).
- It provides more security (no lost checks; your payments are made electronically).

It's Easy to Get Started

- Simply fill out this form and enclose a voided check.*
- Then, continue to pay your bill as usual until your Suburban water bill indicates that Direct Payment has taken effect. (It takes 4-6 weeks for your enrollment to be processed.)
- Once Direct Payment is activated, proof of payment will appear monthly on both your bank statement and your Suburban water bill.
- You'll still receive your regular Suburban bills, but now they will be paid automatically out of the account you designated. Your bill will state "Direct Payment - Do Not Pay" and show the date the money will be withdrawn from your account.
