The California Poppy is a California Friendly Flower because it doesn't need as much water as other flowers.

**Help Splashy
get to the water
barrel!**

**Using water barrels to catch
rain is a great way to save
water. This water can be
used to water plants!**

**Draw a picture
to show Splashy
how you save
water at
home!**

Show Splashy you know how to save water!

Only color the three pictures showing water being used properly.

Bath faucet is off.

Brushing teeth with faucet off.

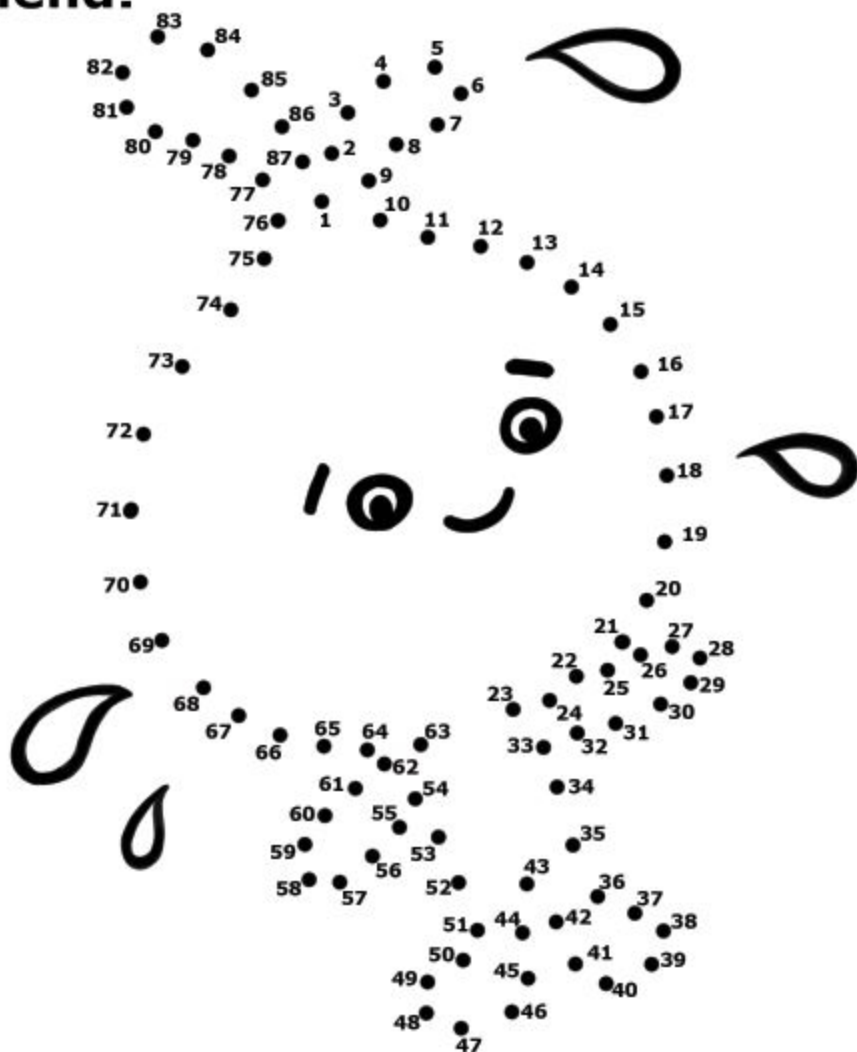

Brushing teeth with faucet on, using more water than needed.

Washing car with hose off when not needed and using buckets to rinse car.

**Connect the dots to draw
our water-saving
friend!**

**It was fun finding ways to save water
with you. Water is important to all living
things, continue to learn and practice
ways to conserve!**

Water conservation tips for parents:

- 1. Install a low-flow showerhead and take only a 5 minute shower or 3-inch bath.**
- 2. Catch water in a bucket or watering can while waiting for water to get hot.**
- 3. Put a water displacement bag or plastic bottle in each toilet tank.**
- 4. Fix all leaky toilets, faucets and pipes.**
- 5. Flush toilets and use garbage disposer only when necessary.**
- 6. Turn off the water while shaving, brushing your teeth, and lathering in the shower.**
- 7. Run only full loads in dishwasher and washing machine.**
- 8. Water your lawn no more than once a week and operate automatic sprinklers manually.**
- 9. Use a bucket of water and one short rinse to wash your car.**
- 10. Sweep (never hose) driveway, patio and sidewalk.**
