AA. Income Tax Component of Contribution Provision

(N)

1. General:

All Contributions in Aid of Construction and Advances for Construction (Contributions) made to the Utility (1) after December 31, 1985 and before June 13, 1996, or (2) after December 22, 2017 and before January 1, 2021, pursuant to its tariffs for purposes of furnishing water related services shall include a cost component to cover the Utility's costs associated with additional Federal Income Taxes resulting therefrom. Contributions made to the Utility on or after January 1, 1992 and before June 13, 1996 shall also include a cost component to cover the Utility's costs associated with additional State Income Taxes resulting therefrom.

2. Definition:

a. Contributions In Aid of Construction (CIAC) and Advances In Aid of Construction (AIAC) shall include, but not limited to, cash, services, facilities, labor, property, and income taxes thereon provided by a person or agency to the Utility. The value of all contributions and advances shall be based on the Utility's estimates. Contributions and advances shall consist of two components for the purpose of recorded transactions as follows:

- (1) Income Tax Component (ITC), and
- (2) The balance of the contribution or advance

b. Eminent Domain: For purposes of administering this part of the Preliminary Statement, an Eminent Domain Agency is any federal, state, county, or local governmental or quasi-governmental agency that has the general authority or is able readily to obtain the authority to condemn property for public good upon the award and payment of just compensation.

c. Involuntary Conversion: Where, in the opinion of the Utility, payments or other forms of compensation received by the Utility from an Eminent Domain Agency satisfy the requirements of Internal Revenue Code Section (IRC §) 1033 as an Involuntary Conversion, the value of such payments, property or other permissible forms of compensation will not be treated as taxable income by the Utility and, as a result, the ITC component of the Contribution will not be collected. Generally, the nontaxable provisions of IRC §1033 are satisfied if (1) the Eminent Domain Agency initiates condemnation proceedings, or (2) the Utility receives notice of intent by the Eminent Domain Entity to acquire the property before the initiation of condemnation proceedings, or (3) it can be demonstrated that it was reasonable to believe that the Utility was compelled to dispose of the property by the impending consequences.

ADVICE LETTER NO. 368-W

April 21, 2022

PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

Suburban Water Systems (“Suburban”) hereby transmits for filing the following changes in its tariff schedules applicable to its service area and which are attached hereto:

CPUC SheetNo.	Title of Sheet	Canceling CPUC Sheet No.
1848-W	Rule No. 15 (Continued)	1575-W
1849-W	Rule No. 15 (Continued)	989-W
1850-W	Preliminary Statement (Continued)	n/a
1851-W	Preliminary Statement (Continued)	n/a
1852-W	Table of Contents	1846-W
1853-W	Table of Contents (Continued)	1804-W

Suburban hereby submits this advice letter to update tariff Rule No. 15 to reflect guidance on facility relocation and rearrangement, and to add a preliminary statement AA – Income Tax Component of Contribution Provision applicable to projects that is not covered by Rule No. 15.

Background

Tariff Rule No. 15 provides income tax gross-up for Contributions In Aid of Construction (CIAC) and Advances In Aid of Construction (AIAC).

Section A.1.a. defines Rule 15 as applying to “All extensions of distribution mains, from the Utility's basic production and transmission system or existing distribution system, to serve new customers...”

Section A.1.c. discusses “extensions under this rule,” and requires an additional deposit from the applicant in situations where there is a reasonable probability that these extensions will have to be relocated in the future. That language only addresses potential future relocation costs for certain main extensions and does not address that all relocations are subject to Tariff Rule No. 15.

Therefore, Suburban adds anew Section E – Facility Relocation or Rearrangement, that specifically addresses this issue in Rule No. 15, and renumbers previous section E to section F.

The renumbered section F of Rule No. 15 addresses gross-up provision for CIAC, and requires that a contributor pay the tax gross-up only on projects that are within the scope of Rule No. 15.

However, there may be situations where water utilities will receive taxable CIAC for projects that are not within the scope of Rule No. 15. In those situations, a dispute may arise between the utility

and the contributor regarding liability for the income tax. To clarify and to avoid future disputes, Suburban proposes to add a tariff provision as preliminary statement AA – Income Tax Component of Contribution Provision applicable to all contributions including those not covered by Rule No. 15.

Tier Designation and Effective Date

Pursuant to General Order (GO) 96-B, Water Industry Rule 7.3.1(3), this advice letter is submitted with a Tier 1 designation.

Suburban requests that the advice letter is effective on April 21, 2022, the date of this advice letter is being filed with the Commission.

Protest and Responses

Anyone may respond to or protest this advice letter. A response supports the filing and may contain information that proves useful to the Commission in evaluating the advice letter. A protest objects to the advice letter in whole or in part and must set forth the specific grounds on which it is based. These grounds are:

a. California Corporate Franchise Tax Rate of 8.84%

b. Federal Income Tax Rate of 21.00%

c. A Discount Rate of 8.61%

1. General:

All Contributions in Aid of Construction and Advances for Construction (Contributions) made to the Utility (1) after December 31, 1985 and before June 13, 1996, or (2) after December 22, 2017, pursuant to its tariffs for purposes of furnishing water related services shall include a cost component to cover the Utility's costs associated with additional Federal Income Taxes resulting therefrom. Contributions made to the Utility on or after January 1, 1992 and before June 13, 1996 shall also include a cost component to cover the Utility's costs associated with additional State Income Taxes resulting therefrom.

2. Definition:

- a. Contributions In Aid of Construction (CIAC) and Advances In Aid of Construction (AIAC) shall include, but not limited to, cash, services, facilities, labor, property, and income taxes thereon provided by a person or agency to the Utility. The value of all contributions and advances shall be based on the Utility's estimates. Contributions and advances shall consist of two components for the purpose of recorded transactions as follows:
 - (1) Income Tax Component (ITC), and
 - (2) The balance of the contribution or advance
- b. Eminent Domain: For purposes of administering this part of the Preliminary Statement, an Eminent Domain Agency is any federal, state, county, or local governmental or quasi-governmental agency that has the general authority or is able readily to obtain the authority to condemn property for public good upon the award and payment of just compensation.
- c. Involuntary Conversion: Where, in the opinion of the Utility, payments or other forms of compensation received by the Utility from an Eminent Domain Agency satisfy the requirements of Internal Revenue Code Section (IRC §) 1033 as an Involuntary Conversion, the value of such payments, property or other permissible forms of compensation will not be treated as taxable income by the Utility and, as a result, the ITC component of the Contribution will not be collected. Generally, the nontaxable provisions of IRC §1033 are satisfied if (1) the Eminent Domain Agency initiates condemnation proceedings, or (2) the Utility receives notice of intent by the Eminent Domain Entity to acquire the property before the initiation of condemnation proceedings, or (3) it can be demonstrated that it was reasonable to believe that the Utility was compelled to dispose of the property by the impending consequences.

ADVICE LETTER NO. 368-W-A

May 23, 2022

PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

Suburban Water Systems (“Suburban”) hereby submits this supplemental Tier 1 advice letter filing requesting authority to revise the preliminary statement on Income Tax Component of Contribution Provision as previously filed on April 21, 2022. The original filing complies with Section 80601 of H.R. 3684 and in accordance with Water Division letter dated February 11, 2022.

The request to the updated tariff sheet correct the missing “January 1, 2021” reference which is the effective date of H.R. 3684 Section 80601. The following shows the change to the tariff sheet:

- Tariff sheet 1850-W, Preliminary Statement – AA (Income Tax Component of Contribution Provision)
 1. General:
All Contributions in Aid of Construction and Advances for Construction (Contributions) made to the Utility (1) after December 31, 1985 and before June 13, 1996, or (2) after December 22, 2017 and before January 1, 2021, pursuant to its tariffs for purposes of furnishing water related services shall include a cost component to cover the Utility’s costs associated with additional Federal Income Taxes resulting therefrom.

Furthermore, with the passage of H.R. 3684, the federal taxation of all water infrastructure contributed to a water utility as Contributions in Aid of Construction was eliminated. Suburban has not made any federal income tax collections associated with Contributions in Aid of Construction or Advances since January 1, 2021.

Tier Designation and Effective Date

Pursuant to General Order (GO) 96-B, Water Industry Rule 7.3.1(3), this advice letter is submitted with a Tier 1 designation.

Suburban requests that the advice letter is effective on April 21, 2022, the date of advice letter 368-W was filed with the Commission.

This filing will not cause the withdrawal of service, nor conflict with other schedules or rules.

In compliance with General Rule 4.3 and 7.2 and Water Industry Rule 4.1 of General Order 96-B, a copy of this advice letter has been mailed or electronically transmitted to all interested and affected parties as detailed in Attachment A.

Sincerely,

/s/Kiki Carlson
