Preliminary Statement

This contract is entered into pursuant to the requirements of, and in accordance with the various applicable provisions of, Utility's Main Extension Rule in effect and on file with the California Public Utilities Commission, a copy of which Rule is attached hereto and made a part hereof. This Contract does not, therefore, require specific authorization of said Commission, to carry out its terms and conditions.

Purpose of Contract

Applicant hereby applies for a water main extension, and Utility hereby agrees to extend and install the Facilities described in Exhibit B attached hereto, for the purpose of furnishing public utility water service to that certain property known as: _____

Comprising _____ acres, more or less, and delineated on that map attached hereto as Exhibit A.

Advance

Applicant shall contribute the amount of \$ _____ pursuant to Section B.1. of the Utility's filed Main Extension Rule, which amount includes \$ _____ which has already been deposited pursuant to Section A.5.b. of said Rule, before the construction of the main extension is commenced, subject to revision of the amount contributed pursuant to Section A.6.e. of said Rule. The length of the main extension is _____ feet.

Refunds

The amount contributed shall be subject to refund pursuant to Section B.2., Refunds, of Utility's filed Main Extension Rule.

In the event that the Utility collects a gross-up using an incremental tax rate that is more than its incremental tax rate as determined on a taxable year basis, without consideration of a tax credit or tax loss carry forward, the difference between what was and what should have been collected will be refunded to the Applicant.
