I. Reservoir 216 Land Exchange Memorandum Account

(T)

1. PURPOSE: In compliance with Division of Water and Audit (DWA) letter dated March 25, 2013, DWA's analysis, criteria no. 3, Suburban has established a Reservoir 216 Land Exchange Memorandum Account in order to track the disposition of net proceeds from the land exchange transaction, including a two-year lease provision during the construction period, when Suburban will be operating the Plant 216 Reservoir on the Suburban property at the same time Suburban is constructing the replacement reservoir on the Cal Domestic parcel.
2. When Suburban began preparing for the land swap it became aware of certain deed restrictions on the Suburban parcel that could delay the land swap with Cal Domestic. If those restrictions cannot be removed to the satisfaction of Cal Domestic, this issue could prohibit the land exchange from taking place and will require Suburban to lease Cal Domestic's property long term. Suburban has briefed DRA on the current status of the land exchange, including the possible unavoidable alternative of Suburban leasing Cal Domestic's property long term. DRA agreed not to protest advice letter 297-W.
3. The effective date of Reservoir 216 Land Exchange Memorandum Account is April 1, 2013 which is the date of Advice Letter 298-W was filed.
4. The disposition of net proceeds less the two-year land lease cost in the memorandum account will be deducted from Suburban rate base and will be addressed by the Commission in the next rate case subsequent to the land exchange transaction closing or other applicable proceeding before the Commission.

AA. Income Tax Component of Contribution Provision

(N)

1. General:

All Contributions in Aid of Construction and Advances for Construction (Contributions) made to the Utility (1) after December 31, 1985 and before June 13, 1996, or (2) after December 22, 2017 and before January 1, 2021, pursuant to its tariffs for purposes of furnishing water related services shall include a cost component to cover the Utility's costs associated with additional Federal Income Taxes resulting therefrom.

Contributions made to the Utility on or after January 1, 1992 and before June 13, 1996 shall also include a cost component to cover the Utility's costs associated with additional State Income Taxes resulting therefrom.

2. Definition:

a. Contributions In Aid of Construction (CIAC) and Advances In Aid of Construction (AIAC) shall include, but not limited to, cash, services, facilities, labor, property, and income taxes thereon provided by a person or agency to the Utility. The value of all contributions and advances shall be based on the Utility's estimates. Contributions and advances shall consist of two components for the purpose of recorded transactions as follows:

- (1) Income Tax Component (ITC), and
- (2) The balance of the contribution or advance

b. Eminent Domain: For purposes of administering this part of the Preliminary Statement, an Eminent Domain Agency is any federal, state, county, or local governmental or quasi-governmental agency that has the general authority or is able readily to obtain the authority to condemn property for public good upon the award and payment of just compensation.

c. Involuntary Conversion: Where, in the opinion of the Utility, payments or other forms of compensation received by the Utility from an Eminent Domain Agency satisfy the requirements of Internal Revenue Code Section (IRC §) 1033 as an Involuntary Conversion, the value of such payments, property or other permissible forms of compensation will not be treated as taxable income by the Utility and, as a result, the ITC component of the Contribution will not be collected. Generally, the nontaxable provisions of IRC §1033 are satisfied if (1) the Eminent Domain Agency initiates condemnation proceedings, or (2) the Utility receives notice of intent by the Eminent Domain Entity to acquire the property before the initiation of condemnation proceedings, or (3) it can be demonstrated that it was reasonable to believe that the Utility was compelled to dispose of the property by the impending consequences.
