FIRE HYDRANT SERVICE ON PRIVATE PROPERTY

SPECIAL CONDITIONS (Continued)

5. The repair and maintenance of the hydrants will be the responsibility of the applicant.
6. Any unauthorized use of water will be charged therefore under the General Metered Service schedule for the particular tariff area, and/or may be grounds for the Utility to discontinue the service without liability to the Utility.
7. There shall be no cross-connection between the fire hydrant service and any other source of supply without the specific approval of the Utility. This specific approval will require at the customer's expense, a special double check valve installation or other device acceptable to the Utility. Any unauthorized cross-connection may be grounds for immediate disconnection of the fire hydrant service without liability to the Utility.
8. The Utility will supply to the hydrant only such water at such pressure as may be available from time to time in the operation of the Utility's system. Section 774 of the Public Utilities Code limits the liability of the utility resulting from a claim regarding the provision or maintenance of an adequate water supply, water pressure, equipment or other fire protection facility or service. Acceptance of service under this tariff is acknowledgment of notice of the provisions of Section 774 of the Public Utilities Code.
9. All bills are subject to the reimbursement fee set forth on Schedule No. UF.
10. As authorized by the California Public Utilities Commission (C.P.U.C.), all bills are subject to a monthly surcharge of \$1.45 for each 6-inch standard fire hydrant. This surcharge will amortize the shortfall in revenue between the interim rates implemented on January 1, 2018 and pursuant to Decision 19-05-029 the rates approved in Advice Letter 335-W which became effective on July 6, 2019. This surcharge shall commence on August 7, 2019 and remain in effect for an estimated 24-month period or until the shortfall in revenue is fully amortized.
