Dear Valued Customer:

This letter is to inform you that the Town of Lexington has increased their out-of-town wastewater rates for bulk treatment-only customers to \$40.33, effective July 1, 2025.

The South Carolina Public Service Commission (“PSC”) regulates the Synergy system of South Carolina Water Utilities, Inc (“SCWU”). Order No. 2018-369, approved by the PSC in Docket 2017-28-S on June 1, 2018, allows Synergy to pass-through without any markup, periodic increases for the cost of services provided by governmental bodies such as the Town of Lexington.

The applicable new wastewater rate detailed in the table below will be reflected on your billing statements for service provided after July 1, 2025.

	SCWU (Synergy)	Town of Lexington	Total Monthly Wastewater Rate, Effective 7/1/25
Residential Single Family	\$ 27.50	\$ 40.33	\$ 67.83
Residential Apartment (Per Unit)	\$ 27.50	\$ 40.33	\$ 67.83
Residential Mobile Home	\$ 21.00	\$ 40.33	\$ 61.33
Commercial Per SFE	\$ 27.50	\$ 40.33	\$ 67.83
