RE. NOTICE OF RATE CHANGE

Dear Customer:

The SC Public Service Commission (SCPSC) has authorized South Carolina Water Utilities - CUC, Inc. (SCWU-CUC) to pass through periodic increases in water costs from our supplier, Beaufort-Jasper Water and Sewer Authority (BJWSA). Effective July 1, 2025, BJWSA is raising the cost of potable water purchased by SCWU-CUC by \$0.22/kgal. SCWU-CUC has provided proof of this cost increase to the SCPSC, and with this letter, SCWU-CUC is giving notice that the new rates will be applied to any usage beginning on July 6th and will be reflected on all subsequent statements. Your new commodity charge will be \$7.60/kgal. No other rates are affected by this change.

As always, South Carolina Water Utilities - CUC, Inc. takes pride in providing a sufficient supply of high-quality water and professional wastewater treatment services at competitive rates for its customers.
